[illegible]

1. Was respondent's counsel present at all open sessions of the board relating to these respondents?
2. If defendant's counsel was not present at all open sessions, is a copy of the transcript of the proceedings in the report given to the board?

1. Is the charge properly stated and in the appropriate office?

1. The first part of the document is a list of names and titles, including "The Hon. Mr. Justice G. D. Young, Chief Justice of the Supreme Court of the Province of Ontario" and "The Hon. Mr. Justice A. G. Blair, Chief Justice of the Supreme Court of the Province of Quebec".

4. Can a person be held responsible for actions if he/she is not in control of his/her actions?

[illegible][illegible]

in view of the above findings, the investigating officer has recommended:

All personnel involved in the incident acted in accordance with the "CFLECC Rules For Use Of Force" and the "COI (MILITARY) and ANNEX E (Rules Of Engagement) to MND-B OPORD [REDACTED] JOIF [REDACTED]". The Soldiers had legitimate reasons to believe that this individual was the IED triggerman, and that their actions would prevent further losses against Coalition Forces by this individual.

All Soldiers (CPT [REDACTED], SFC [REDACTED], SSG [REDACTED], and SGT [REDACTED]) in accordance with the CFLECC guidance in the use of "Escalation of Force". Warning shots were fired behind the fleeing individual with the intent to start him up. Lethal shots were fired directly at the fleeing individual. The cease-fire order was given once the individual fell to the ground.

SSG [REDACTED] and SGT [REDACTED] positively identified (PID) their target, and took necessary precautions to avoid fratricide damage and result based on engaging the suspected triggerman.

No detonation device was found on the individual or in the immediate vicinity. However, the suspect could have gotten rid of it immediately following the IED explosion, as he was fleeing from the scene away from the Bradley and the IED site.

The crew of A-10 determined upon their arrival that the suspected triggerman was dead and remained at the location of the IED site. His section came to recover the body.

SECTION V RECOMMENDATIONS (para 3-13, AR 37-6)

In view of the above findings, the investigating officer has recommended:

- 1. Continue the use of [REDACTED] to inform the local population about curfew hours and possible consequences of being out during curfew hours.
- 2. Ensure ROE, to include "Escalation of Force" is incorporated into all joint safety briefs prior to leaving any FOB or static location.
- 3. Continue to conduct Reinforcement ROE training during After Action Reviews for all engagements that result in enemy casualties.
- 4. Identify and name basic Arabic phrases to all Soldiers that focuses on basic instructions: "Stop", "Get around", etc.

COMMANDER, 2ND BRIGADE COMBAT TEAM, 10TH MOUNTAIN DIVISION

SUBJECT: AR 15-6, BGT no. [REDACTED] (Shooting of Local National vicinity of [REDACTED] Iraq)

1. Enclosed is the 15-6 investigation outlining the circumstances that resulted in the shooting of a local national. As a result of the incident, one Iraqi citizen was killed. The shooting occurred along ROUTE [REDACTED], vicinity [REDACTED] on 13 May 2005.

2. SUMMARY:

On 132240MAY2005, B section, 3RD Platoon, A Company, 1-41ST Infantry departed Forward Operating Base (FOB) [REDACTED] in [REDACTED] Iraq en route to FOB [REDACTED] in [REDACTED] Iraq. The section consisted of two Bradley Fighting Vehicles (BFV), A-33 and A-34, and 12 personnel. A-33 contained SSG [REDACTED] (Bradley Commander), SGT [REDACTED] (Gunner), PFC [REDACTED] (Driver), and LT [REDACTED] and LT [REDACTED] as passengers. A-34 contained SFC [REDACTED] (BC), SGT [REDACTED] (Gunner), SFC [REDACTED] (Driver), and SGT [REDACTED] SGT [REDACTED] SFC [REDACTED], and PVT [REDACTED] as passengers. A-33 was the lead vehicle and A-34 was the trail vehicle. On or about 132250MAY2005, the A-33 was attacked by an Improvised Explosive Device (IED) moving North along ROUTE [REDACTED] vicinity [REDACTED]. Upon detonation of the IED, A-33 immediately pushed through the IED kill zone approximately 150 meters, and began assessing damage to the vehicle and injuries to personnel. A-34 remained in place, approximately 100 meters away from the IED site. After a thorough check, both Bradley Commanders determined there were no injuries or damage to equipment and reported this to their Company Command Post (CP). Due to the possible dangers still present, all crewmen and passengers remained inside the vehicles.

Both vehicles then began scanning the area with the vehicle's thermal sights for possible triggermen, A-33 to the West and A-34 to the East. At approximately 2255, SGT [REDACTED] A-33 Gunner, identified a man lying in a field

3. FACTS:

- a) How many local nationals were involved in the incident?
 - a. One Iraqi citizen was involved in the incident.
 - 1 x KIA (1 adult male)
- b) When was the suspected triggerman first spotted and by whom?
 - a. SGT [REDACTED] A-33 Gunner, initially spotted the suspected triggerman lying in a field to the West of their location on or about 132255MAY05.
 - b. SGT [REDACTED] immediately notified his Bradley Commander SSG [REDACTED], who reported sighting of the suspected triggerman to SFC [REDACTED], the patrol leader and Platoon Sergeant.
- c) What assumption or guideline was referenced when unit engaged, first with warning shots, then with killing shots?
 - a. Battalion Tactics, Techniques, and Procedures (TTP) advise elements to immediately scan the surrounding area for triggermen after being struck by an IED.
 - b. Paragraph 3.A.3 in ANNEX E (RULES OF ENGAGEMENT) to MND-B OPOD [REDACTED] (OIF [REDACTED] DECISIVE OPERATIONS) provides Coalition Forces the authority to use up to Deadly Force to negate the threat of individuals committing a hostile act or demonstrating hostile intent.
 - c. Battalion guidance on the issue of IED triggerman is to attempt to capture the suspected triggerman, and if not possible to capture the triggerman, use up to Deadly Force to stop the triggerman.
- d) Did the element that engaged the suspected triggerman positively identify (PID) the target and assess possible collateral damage prior to engaging?
 - a. The suspected triggerman displayed three specific suspicious actions that led to the engagement. He was lying in the field and appeared to be observing the vehicles and the IED site, the fact that he was out past curfew, and his running away with a shovel that could have been used to implant the IED were grounds for the section to be reasonably certain that he was the IED triggerman.
 - b. The crew that engaged the individual was informed that no friendly forces were in the area and they did observe the area for possible collateral damage prior to engaging. No other individuals were spotted and there were no buildings or structures in the area.

Yusufiyah

- e) Were local citizens of [REDACTED] aware of the curfew hours?
- a. A 1-41 IN Company Commander, CPT [REDACTED] stated that the Tactical Psyops Team (TPT) has broadcast the curfew hours (2100-0500 daily) throughout the town, as well as distribute flyers and pamphlets to the local population telling them when curfew hours are.
- f) Did the section observing the suspected triggerman use the ROE Escalation of Force mode after identifying the suspected triggerman?
- a. The section adhered to the ROE Escalation of Force mode to the greatest extent possible. Shooting would have been done due to the distance and noise involved, showing and showing means to use weapons was not applicable in this situation, and warning shots were fired in close proximity to the individual prior to elevating to Deadly Force.
- g) When and where were the first warning shot(s) fired?
- a. After the suspected triggerman arose and began running away from his location with shovel in hand, and the Company Executive Officer instructed section to engage following ROE Escalation of Force, three 2-3 round bursts were fired behind the man in an attempt to make him stop.
- h) When were lethal fires initiated to stop the suspected triggerman and when was the Cease Fire command given?
- a. Battalion TTP, and the refusal of the individual to heed multiple warning shots.
- b. The Cease Fire command was given once the suspected triggerman fell to the ground.
- i) What means did the unit use to educate Soldiers on the use of escalated force (IAW CFLCC ROE) and the initiation of warning, disabling, and lethal fires?
- a. The Soldiers involved in the incident received and conducted the following ROE training briefings:
- i. Pre-NTC ROE Training (OCT 04)
 - ii. NTC RSOI ROE Training (OCT/NOV 04)
 - iii. Home-station TSIRT and Pre-deployment Training (DEC/JAN 04)
 - iv. Kuwait RSOI ROE Vignette Training (FEB 05)
 - v. Patrol brief by patrol leader prior to leaving FOB SL Joseph
 - vi. Reinforcement ROE training following an direct-fire engagements which result in enemy casualties.

4. FINDINGS:

- a) All personnel involved in the incident acted in accordance with the AFM 26 Rules For Use Of Force (as of 011800ZNOV03) and ANNEX E (Rules Of Engagement) to MND-B OPORD 05-012 (OIF 04-06 Decisive Operations). The Soldiers had legitimate reasons to believe that this individual was the IED triggerman, and that their actions would prevent future hostile acts against Coalition Forces by this individual.
- b) All Soldiers (CPT [REDACTED], SFC [REDACTED], SSG [REDACTED], and SGT [REDACTED]) acted in accordance with the CFLCC guidance in the use of "Escalation of Force". Warning shots were aimed behind the fleeing individual with the intent to make him stop. Lethal shots were aimed directly at the fleeing individual. The cease-fire order was given once the individual fell to the ground.
- c) SSG [REDACTED] and SGT [REDACTED] positively identified (PID) their target, and took necessary precautions to ensure that no collateral damage would result based on engaging the suspected triggerman.
- d) No detonation device was found on the individual or in the immediate vicinity. However, the suspect could have gotten rid of it immediately following the IED explosion, or as he was fleeing from the scene, away from the Bradley section and IED site.
- e) The crew of A-34 confirmed the suspected triggerman was dead after arriving at his location and checking his vital signs. They remained at that location until SSG [REDACTED] and his section came to recover the body.

5. RECOMMENDATIONS:

- a) Continue the use of Tactical Psyops Team (TPT) to inform the local population about curfew hours and possible consequences of being out during curfew hours.
- b) Ensure ROE to include "Escalation of Force" is incorporated into all patrol safety briefs prior to leaving any FOB or static location.
- c) Continue to conduct Reinforcement ROE training during After Action Reviews on all engagements that result in enemy casualties.
- d) Identify and teach basic Arabic phrases to all Soldiers that focuses on basic commands ("Stop", "Turn around", etc...).
- e) Develop a plan to add zeroing of individual, crew-served, and vehicle weapons systems to the Company's weekly training calendar.

MEMORANDUM FOR CPT [REDACTED] 2-70th AR BN, 3rd BCT, 1st AD, FOB St Michael, Iraq 09378

SUBJECT: Appointment as Investigating Officer

1. Pursuant to AR 15-6, paragraph 2-1, you are hereby appointed as an investigating officer to investigate the allegation of a shooting of a local national that occurred on or about 15 May 2005 by elements of A Company, 141 Infantry Battalion.
2. In your investigation, use procedures under AR 15-6, Chapter 4, for an informal board of officers. All witness statements will be sworn, and you will follow the procedures in AR 15-6, paragraph 3-7e for Privacy Act statements. If the person you are interviewing states that he/she does not know anything about the allegations, prepare a sworn statement to that effect for the witness to sign. If, in the course of your investigation, you suspect a soldier has committed an offense under the UCMJ, you must advise and read him/her their rights under the UCMJ, Article 31, or the Fifth Amendment, as appropriate, prior to conducting any interview.
3. During your investigation, answer the following questions:
 - a. What was the sequence of events that led up to the incident?
 - b. Did the soldiers involved properly escalate the use of force?
 - c. Did the soldiers have Positive Identification (were they reasonable certain that the object of attack was a legitimate military target) before engaging the local national?
 - d. What is the unit's Standard Operating Procedure (SOP) prior to engaging a local national?
 - e. Were there any Law of War violations?
 - f. What can the unit do to decrease the number of shooting involving local nationals?
 - g. Are there any operational lessons that should be captured and disseminated?
